379th Air Expeditionary Wing Fact Sheet

MISSION:

The 379th Air Expeditionary Wing delivers airpower by executing the air and space tasking order as directed by Headquarters U.S. Air Forces Central Command, sustains regional presence, and partners with Qatar and mission partners for the future.

The 379th Air Expeditionary Wing is the largest expeditionary wing in the world. The thousands of Airmen in the Grand Slam Wing fly 18 percent of daily air tasking order sorties. The wing is also in the top three for aerial port movements and dispenses more fuel than the next top five U.S. Air Force bases combined. It also runs the largest U.S. Department of Defense Blood Transshipment Center in the U.S. Central Command area of responsibility and provides support for over 20 detachments, groups and headquarters.

379th Expeditionary Operations Group

The expeditionary operations group operates five major weapon systems and five mission sets within the Air, Space, and Cyberspace domains, supporting all six U. S. Air Force distinctive capabilities missions to enable Global Vigilance, Global Reach, and Global Power. It is the largest expeditionary operations group in the Air Force, combining all three Total Force Components to execute over 15,000 missions and 100,000 hours per year in support of operations throughout the U.S. Central Command area of responsibility and in support of Joint Task Force-Horn of Africa.

379th Expeditionary Maintenance Group

The expeditionary maintenance group is a true total force team comprised of Airmen and aircraft from more than 70 different Active, Guard, and Reserve force providers supporting five different weapon systems. In addition to generating combat airpower, the group provides unique capabilities for the entire area of responsibility to include crash recovery, aircraft battle damage repair, on-site depot liaison engineers, and centralized repair facilities for avionics, precision measurement equipment, oxygen bottles, brakes, wheels, and tires.

379th Expeditionary Mission Support Group

The expeditionary mission support group provides combat support for over 8,000 U.S. and coalition forces supporting Operation ENDURING FREEDOM, Combined Defense of the Arabian Gulf, and emerging U.S. Central Command operations. The group provides all essential base-operating support services to include contracting, security, civil engineering, personnel, communications, transportation, supply, and fuel. Of note, the group runs the largest fuel and lodging operation in DoD, and the largest civil engineering squadron, communications network, K9 operation, and sensor field in U.S. Air Forces Central Command.

379th Expeditionary Medical Group

The expeditionary medical group operates a 10-bed hospital, provides primary care to over 8,000 U.S. and coalition partners, and serves as a surgical referral facility for U.S. Central Command. In addition, it supports the area of responsibility with two mobile field surgical teams and expeditionary critical care teams; a 21-bed enroute patient staging facility and aeromedical evacuation program; U.S. Central Command's only intra-theater care program; the DoD's sole expeditionary blood transition shipment center; and is the sole certifying and assembly point for individual first aid kits for the U.S. Central Command area of responsibility.

BACKGROUND:

The wing, which was activated in April 2002, draws its history from World War II and can trace its roots back to the only bombardment group ever to achieve a "grand slam" for its war efforts.

This historic unit began as the 379th Bombardment Group, established Oct. 28, 1942, and assigned to the 8th Air Force. During that time in history, massive aerial formation assembly was frequently chaotic. In response, 8th Air Force leaders developed a system to more easily identify the bombers. The three air divisions of the 8th Air Force were

represented by different shapes. The designs were painted on the wing and vertical stabilizers of each bomber along with a letter inside the shape, designating when the group's first entered combat.

As a result, the 379th Bombardment Group came to be recognized by the Triangle K insignia. The 379th Bombardment Group was assigned to the 1st Air Division, with its designating shape being a triangle. The selection of the letter "K" indicated the 379th Bombardment Group was the eleventh unit to enter combat.

Among its many distinctions, the 379th Bombardment Group was awarded the unprecedented "8th Air Force Operational Grand Slam," for operations during April 1944 in recognition for having the best bombing accuracy, greatest tonnage of bombs dropped on target, largest number of aircraft attacking, lowest losses, and lowest mission-abort rate. As the only unit ever recognized in this manner, the 379th Air Expeditionary Wing still proudly uses the moniker of "Grand Slam" wing today.

BIOGRAPHY

UNITED STATES AIR FORCE

Brig. Gen. Darren V. James is the Commander, 379th Air Expeditionary Wing, Al Udeid Air Base, Qatar. This composite wing includes strike; intelligence, surveillance and reconnaissance; mobility; aeromedical evacuation; and command and control assets which support Operations Inherent Resolve and Freedom's Sentinel. The wing provides support to more than 8,300 Air Force, joint, and coalition forces.

General James received his commission from the U.S. Air Force Academy in 1990. He has served in multiple operational and training assignments and logged more than 5,000 hours in the C-5 Galaxy, C-17 Globemaster III, T-1A Jayhawk, T-38 Talon and the T-37 Tweet. His notable staff assignments include U.S. Transportation Command Liaison Officer to U.S. Pacific Command; Aide-de-Camp to the 18th Air Force Commander; and the Tanker Airlift Control Center Deputy Chief of the Tanker Allocation Division and Liaison Officer to the U.S. Transportation Command.

General James commanded the 9th Airlift Squadron and the 71st Flying Training Wing. His operational assignments supported contingency operations during Desert Storm, Provide Hope, Support Hope, Provide Comfort, Northern Watch, Noble Eagle, Enduring Freedom, Freedom's Sentinel, Iraqi Freedom and Inherent Resolve. Prior to his current assignment, General James was the Deputy Director, Operations and Plans Directorate, United States Transportation Command, Scott Air Force Base, Illinois.

EDUCATION

- 1990 Bachelor of Science, Human Factors Engineering, U.S. Air Force Academy, Colo.
- 1997 Squadron Officer School, Maxwell AFB, Ala.
- 2003 Master of Aeronautical Science, Embry-Riddle Aeronautical University, Daytona, Fla.
- 2003 Master of Military Operational Art and Science, Air Command and Staff College, Maxwell AFB, Ala.
- 2007 Air War College, by correspondence, Maxwell AFB, Ala.
- 2009 Master of Science, National Resource Strategy, Industrial College of the Armed Forces, National Defense University, Fort Lesley J. McNair, Washington, D.C.
- 2011 U.S. Air Force Enterprise Leadership Seminar, University of Virginia Darden School of Business, Charlottesville

ASSIGNMENTS

1. May 1990 - August 1991, Student, undergraduate pilot training, 82nd Flying Training Wing, Williams AFB, Ariz.
2. August 1991 - July 1995, Pilot Scheduler, Training Officer, Chief of Squadron plans and Aircraft Commander, C-5, 3rd Airlift Squadron, Dover AFB, Del.
3. October 1995 - February 1996, Pilot Instructor Training, T-37, 559th Flying Training Squadron, Randolph AFB, Texas
4. February 1996 - March 1997, Instructor Pilot, T-37, 8th Flying Training Squadron, Vance AFB, Okla.
5. August 1997 - February 1998, Pilot Instructor Training, T-1A, 99th Flying Training Squadron, Randolph AFB, Texas
6. February 1998 - June 1999, Instructor Pilot and Flight Commander, T-1A, 32nd Flying Training Squadron, Vance AFB, Okla.
7. June 1999 - June 2002, Wing Executive Officer, Assistant Operations officer, Evaluator Pilot, Instructor Pilot, C-5, 9th Airlift Squadron, Dover AFB, Del.
8. June 2002 - June 2003, Student, Air Command and Staff College, Maxwell AFB, Ala.
9. June 2003 - December 2004, Deputy Chief, Tanker Allocation Division, Liaison Officer to U.S. Transportation Command, Tanker Airlift Control Center, Scott AFB, Ill.
10. December 2004 - October 2005, Aide-de-Camp to the Commander, 18th Air Force, Scott AFB, Ill.
11. November 2005 - October 2006, Chief, Wing Safety, 436th Airlift Wing, Dover AFB, Del.
(May 2006 - September 2006, Chief, Wing Safety, 376 Air Expeditionary Wing, Kyrgyz Republic)

12. November 2006 - June 2008, Commander, 9th Airlift Squadron, 436th Airlift Wing, Dover AFB, Del.
13. July 2008 - June 2009, Student, Industrial College of the Armed Forces, National Defense University, Fort Lesley J. McNair, Washington, D.C.
14. June 2009 - July 2011, U.S. Transportation Command Liaison Officer to U.S. Pacific Command, Camp H. M. Smith, Hawaii
15. July 2011 - June 2012, Vice Commander, 437th Airlift Wing, Joint Base Charleston, S.C.
16. June 2012 - June 2014, Commander, 71st Flying Training Wing, Vance AFB Okla.
17. June 2014 - June 2015, Deputy Director, Operations and Plans, U.S. Transportation Command, Scott AFB, Ill.
18. June 2015 - present, Commander, 379th Air Expeditionary Wing, Al Udeid Air Base, Qatar

SUMMARY OF JOINT ASSIGNMENTS

1. June 2009 - July 2011, U.S. Transportation Command Liaison Officer to U.S. Pacific Command, Camp H. M. Smith, Hawaii, as a colonel
2. June 2014 - June 2015, Deputy Director, Operations and Plans, U.S. Transportation Command, Scott AFB, Ill., as a colonel

2005, 2007 Air Force Intelligence Surveillance, Reconnaissance Awards Program, SNCO of the Year, 48th Fighter Wing RAF Lakenheath, England

EFFECTIVE DATE OF PROMOTION

Chief Master Sergeant November 2011 (Current as of June 2015)

General Lodging Information

Senior Officer Quarters (SOQs)

There are a total of 16 SOQs located in Buildings 10335 and 10345. 12 SOQs are maintained by the Blatchford-Preston Complex (BPC) Lodging Office located in building 10405 (B-10) and 4 transient DV SOQs are maintained by 379 AEW protocol (436-0155). These quarters are authorized for the following: USAFCENT/CC, USAFCENT/CD, USAFCENT/CCC, 379 AEW/CC, 379 AEW/CV, 379 AEW/CCC, 379 EOG/CC, 379 EMXG/CC, 379 EMDG/CC, 379 EMSG/CC, DIRMOBFOR and U.K. Forces/CC. Amenities such as toilet tissue and hand soap are provided for DV SOQs only. Washers and dryers are available in all units. Rooms are cleaned by the contract company only after check out. Guests will inventory the contents of the room using an AF Form 1297, *Temporary Issue Receipt*. Any missing items would need to be reported to the BPC Lodging Office. Executive officers may inventory the room prior to the guest's arrival.

Blatchford-Preston Complex (BPC) Dorms

E-5s and above with an ETL of at least 179 days are authorized to live in BPC dorms; E-5s, E-6s, O-1s, and O-2s are double billeted; O-3s and above and E-7s and above are authorized single rooms. This configuration is subject to change based on the ability to meet mission requirements. Rooms are provided on a first come first serve basis according to official date of request and boots on ground date. First Sergeants and UQRs can place guests on the BPC Waitlist by sending the guests' name and a copy of their orders to the BPC Lodging Office. The BPC waitlist can be reviewed by clicking on the following link:

<https://portal.auab.afcent.af.mil/afcent/wings/379/emsg/EFSS/Pages/default.aspx?TabSHow=2&CDate=7%2f21%2f2014+7%3a44%3a48+AM&Type=1>.

Check in procedures: To receive room keys in advance for personnel moving directly into BPC, First Sergeants or UQRs will provide a reservation spreadsheet to the BPC Lodging Office for processing ahead of personnel arrival. Within 24 hours of arrival, personnel must report to the BPC Lodging Office (Building B-10) with their I.D. card and PERSCO blue-stamped orders. All others transitioning from CC lodging to BPC lodging will have 48 hours to hand carry their I.D. card and PERSCO blue-stamped orders to the BPC Lodging Office upon notification of a room assignment. Guests accepting a BPC room assignment will complete an AF Form 1297 before receiving the room key and will have 24 hours to report any discrepancies between the AF Form 1297 and the contents of the room to the BPC Lodging Office. The AF Form 1297 is used to properly in-process each guest and account for keys and furniture for each room. Guests who are not checked in properly are not registered in our system. This causes rooms to be double-booked and keys to be issued to occupied rooms.

Check out procedures: Outbound personnel must check-out NLT 24 hours prior to their departure date. Rooms will be inspected by the First Sergeant or UQR 24-48 hours prior

to their check-out date. UQRs will ensure the lodging out-processing checklist located at the BPC Lodging Office is completed, which guests will turn in with their keys. Guests must ensure all maintenance and repair issues are reported to Lodging Maintenance or the BPC Lodging Office prior to departure. The checklist will be compared to the AF Form 1297 on file. Guests will be held financially responsible for missing or damaged items and will be required to submit a DD Form 1131, *Cash Collection Voucher*, to 379 ECPTS before receiving clearance to out-process PERSCO. ***Guests must return their key to the BPC Lodging Office to receive a lodging stamp and signature on their out-processing sheet in order to out-process PERSCO.***

Wet Trailers

There are a total of 13 Wet trailers consisting of five individual quarters that contain indoor bathrooms and are located in Coalition Compound (CC). The Wet Trailers are managed by the CC Lodging Office located in building 10086. These quarters are authorized for ranks of E-9, O-6 and GS-14 and above with an Estimated Tour Length (ETL) of less than 179 days. Reservations can be made 30 days in advance and on a first come, first serve basis. Rooms are cleaned by the contract company only after check out. If space is not available, guest may be placed on a waitlist. Guests will inventory the contents of the room using an AF Form 1297, *Temporary Issue Receipt*. Any missing items would need to be reported to the BPC Lodging Office. Executive officers may inventory the room prior to the guest's arrival.

Coalition Compound (CC) Trailers

There are 143 trailers in CC; each trailer contains 30 rooms. Every room is furnished to lodge two individuals. Since these trailers do not have indoor plumbing, guests are required to use one of the many restroom and shower facilities (cadillacs) that are located throughout the compound. E-5s and below, with an ETL of less than 365 days are double billeted. As space allows, E-6s and above with an ETL of more than 30 days will be assigned single billeting when possible. GS civilian employees and all military personnel with an ETL of 365 days may be authorized single quarters, as space allows. All contract personnel are double billeted in CC trailers unless applicable Performance Work Statement includes language which specifically requires single billeting.

Contractors in the senior leadership positions within their company, as defined per the company contract/memorandum, will be given a single room.

Check in procedures: To receive room keys in advance, First Sergeants or Unit Quarters Representatives (UQRs) will provide a reservation spreadsheet to the CC Lodging Office (Building 10086) for processing ahead of personnel arrival. The UQR will sign an AF Form 1297, assuming fiscal and physical responsibility of all keys and issue the key to the guest upon arrival. Upon arrival, the guest will inventory the room, report discrepancies to the CC Lodging Office and turn in a completed AF Form 1297 accepting responsibility for the inventory of items in the room and the key provided by the UQR.

The AF Form 1297 is used to properly in-process each guest and account for keys and furniture for each room. Guests who are not checked in properly are not registered in our system. This causes rooms to be double-booked and keys to be issued to occupied rooms. Guests without a hand receipt on file within 24 hours after arrival will be reported to their respective First Sergeant or UQR. Guests without a reservation will need to report the CC Lodging Office to be issued a room. Guest will need to provide an I.D. and a copy of their PERSCO blue-stamped orders.

Check out procedures: Outbound personnel must check-out NLT 24 hours prior to their departure date. Rooms will be inspected by the First Sergeant or UQR 24-48 hours prior to their check-out date. UQRs will ensure the lodging out-processing checklist located at the CC Lodging Office is completed, which guests will turn in with their keys. Guests must ensure all maintenance and repair issues are reported to Lodging Maintenance or the CC Lodging Office prior to departure. The checklist will be compared to their AF Form 1297 on file. Guests will be held financially responsible for missing or damaged items and will be required to submit a DD Form 1131, *Cash Collection Voucher*, to 379 ECPTS before receiving clearance to out-process PERSCO. ***Guests must return their key to the CC Lodging Office to receive a lodging stamp and signature on their out-processing sheet in order to out-process PERSCO.***

Re-locatable Buildings (RLBs)

RLBs are open bay dorms that contain 64 bed spaces. Food and drinks (except water) are prohibited in RLBs due to sanitation issues. Guests with an ETL of 30 days or less will be assigned to an RLB. DVs and senior leadership (O-6/E-9/GS-15) are referred to protocol for quarters or will be assigned wet trailers, space permitting.

Check in procedures: Guests will provide CC lodging staff their I.D. card for reservation. CC lodging will provide an RLB Transient slip (**Do not throw away**) to the guest with an assigned building number. Guests can pick up linen at the Linen Exchange located next to the CC Lodging Office. **DO NOT THROW AWAY YOUR LINEN AFTER USE.** Enter the assigned RLB and choose your sleeping space.

Check out procedures: Guests must return linen to the Linen Exchange in order to be out-processed through lodging. Once the linen is returned, the guest will bring their RLB slip to the CC Lodging Office in order to receive a lodging out-processing stamp and signature. Guests will receive their stamp no earlier than 24 hours of departure date.

Maintenance

Lodging guests are responsible for contacting the following service centers for room issues:

Lodging maintenance/repair services (437-6315)

- Refrigerator/microwave repair
- Furniture repair/replacement (maint. will break down and install furniture)*
- Washers/Dryers**

- Light bulbs in common areas
- Light bulbs in CC rooms are a one for one swap at linen exchange/lodging maintenance (Bldg. 10084)
- Light bulbs in SOQs and BPC rooms are a one for one swap at BPC lodging (Bldg. B10)

* Guests will not disassemble or remove any government property (mattresses, bed frames, wall lockers, etc.) from the rooms.

** Occupants using community dryers must ensure that they clean the lint trap after every use to limit wear/tear on units and prevent fire.

Comm. maintenance/repair services (437-2666)

- Phone lines
- Wi-Fi
- Cable

Bio Environmental (437-8746)

- Mold issues (Bio will not remove mold. They will investigate if necessary and give instructions on how occupant can remove it)

Civil Engineering maintenance/repair services (437-2154)

- Real property damage, structural damage/issues i.e. doors, walls, outlets, panels, etc.
- Plumbing (Toilets-repair and unclogging)
- Electrical/trip breakers
- Air conditioning units*
- Pest control

*Occupants in CC trailers should shut off A/C units when leaving their rooms. Air conditioner filters should be rinsed and cleaned once a week to ensure the longevity of their units; while limiting fire potential.

Civil Engineering Self-Help Store

Ph.: 437-2103, Building 8117, located on Wurtsmith Rd next to bus stop #17 in the Civil Engineer Compound

Hours of operation:

Monday-Friday: 0700-1700

Saturday: 0700-1100

Sunday: Closed

Dorm residents may pursue small self-help repairs by checking out hand tools and supplies from the Self-Help. Major repairs should be coordinated with the lodging office. The Self-Help store has pest control items and a wide assortment of small hand and power tools available to dorm residents.

1. **Pest control items**- Available for issue to all residents.
 - Ant bait stations
 - Roach bait stations-small
 - Roach bait stations-large
 - Fly swatters
 - Fly catcher strip tape
 - Conventional mouse traps
 - Conventional rat traps
 - Mouse/rat glue traps

2. **Hand and power tools**- Wide assortment available. May check out power tools for up to 7 days.
 - Tools
 - Screwdrivers
 - Pliers
 - Wrenches
 - Drills
 - Socket sets
 - Drill bit sets

3. **Light Bulbs**- Ensure correct voltage, wattage and type of bulb. Return expended bulb to Haz Waste Pharmacy (437-2235) located across from ECES compound.

Note: Paint and paint supplies are not offered

Lost keys/lock-out

CC lodging is open 24 hours a day. If you lose your key or lock yourself out of your room, contact CC lodging (Bldg. 10086) at 437-8303 for assistance. Guests living in BPC lodging may contact the BPC lodging office (Bldg. B10) at 437-0025 for assistance. For lock outs, guests can report to the appropriate lodging office to be issued a temporary key for 1 hour. If the key is not returned within 1 hour, the guest's First Sergeant will be notified. For lost keys, guest must notify their First Sergeant, who will contact the appropriate lodging office to issue a spare key for up to 24 hours. To replace a lost key, the guest must provide a Lost Key MFR (lodging has template) signed by their unit commander or First Sergeant to the lodging office. The guest will also be required to submit a DD Form 1131, *Cash Collection Voucher*, to the 379th Expeditionary Comptroller Squadron (379 ECPTS). A copy of the 1131 will need to be given to the lodging office for filing and re-keying purposes. Replacement cost of the key is \$20.16. ECES can revise the cost at any time based on parts and labor.

Internet Access

Free wireless connectivity is offered through the MoraleNet and is available in “common use” areas of lodging. MoraleNet is also available at the BX, Chapel, PAX Terminal, and Memorial Plaza. Ensure your device’s Wi-Fi settings are enabled and search for the wireless network named: “**MoraleNet...**” (each Morale Net connection has a numeric designator). There are no password or login requirements. (Note: Some rooms may receive better reception than others based on location and proximity to the router). For further guidance on MoraleNet, refer to AEWI 33-100, *Morale Network Acceptable Use*, located on the AUAB Publications website.

Transient Troop Commanders

There is a Flight Status Board displaying current redeployment flight information and onward movement flight information located in the Media Center (bldg. 10008, CC Complex). For any questions or concerns regarding the Flight Status Board please contact the AFTRCC at 436-1812/0665.

Calling Cards

Airman & Family Readiness Center has free phone cards available for your convenience. One card will be issued at a time. Return for a new card when minutes are exhausted.

Quiet Policy

Quiet hours are 24-hours a day in residential lodging areas, to include hallways. Please observe accordingly.

Amenities

Housekeeping services and toiletry items are not provided at BPC or CC lodging; however, toiletry items are available for purchase at the CC/BPC AAFES/BX.

Laundry

- There are two self-service laundry units in Coalition Compound in buildings 1097 and 10075 (see base map located in Tab 14). These facilities are open 24/7.
- The BPC has washers and dryers available at the end of the top and bottom floors of each building.
- Free laundering service is located in CC and is supported by local contract. The 72-hour Laundry Service drop-off and pick-up point is open 24/7 in building 10024

(next to CC gymnasium), with a three-day turnaround. Service members are reminded to remove ID cards, line badges, paperwork and other items before turning in laundry in the interest of operational security. Uniforms, collared shirts and pants are returned pressed, so irons are not needed. Issued bed linen is also exchanged in building 10024.

Alterations

Alteration services are available at the CC concession complex. Hours: 0900-2000 (Daily)

Linen

Initial linen issue is provided by Linen Exchange/Lodging Maintenance (Bldg. 10084). Your soiled issued linen may be exchanged for clean linen immediately at the 72-hour Laundry Service Center, located in Building 10024 near the CC BX. All personal laundry and linen will take 72 hours to return to the guest. When out-processing, your soiled issued linen must be turned to Linen Exchange/Lodging Maintenance (Bldg. 10084). Guests will not receive a lodging out-processing stamp unless issued linen is return to Linen Exchange/Lodging Maintenance. Guests who reside in BPC lodging will receive their initial linen from the BPC Lodging Office. If BPC guests need new linen, they will need to drop off their soiled issued linen at the 72-hour Laundry Service Center to be supplied new linen. When BPC guests check out, they may place soiled issued linen in the soiled linen container located at Building B-10.

Shelter-in-Place

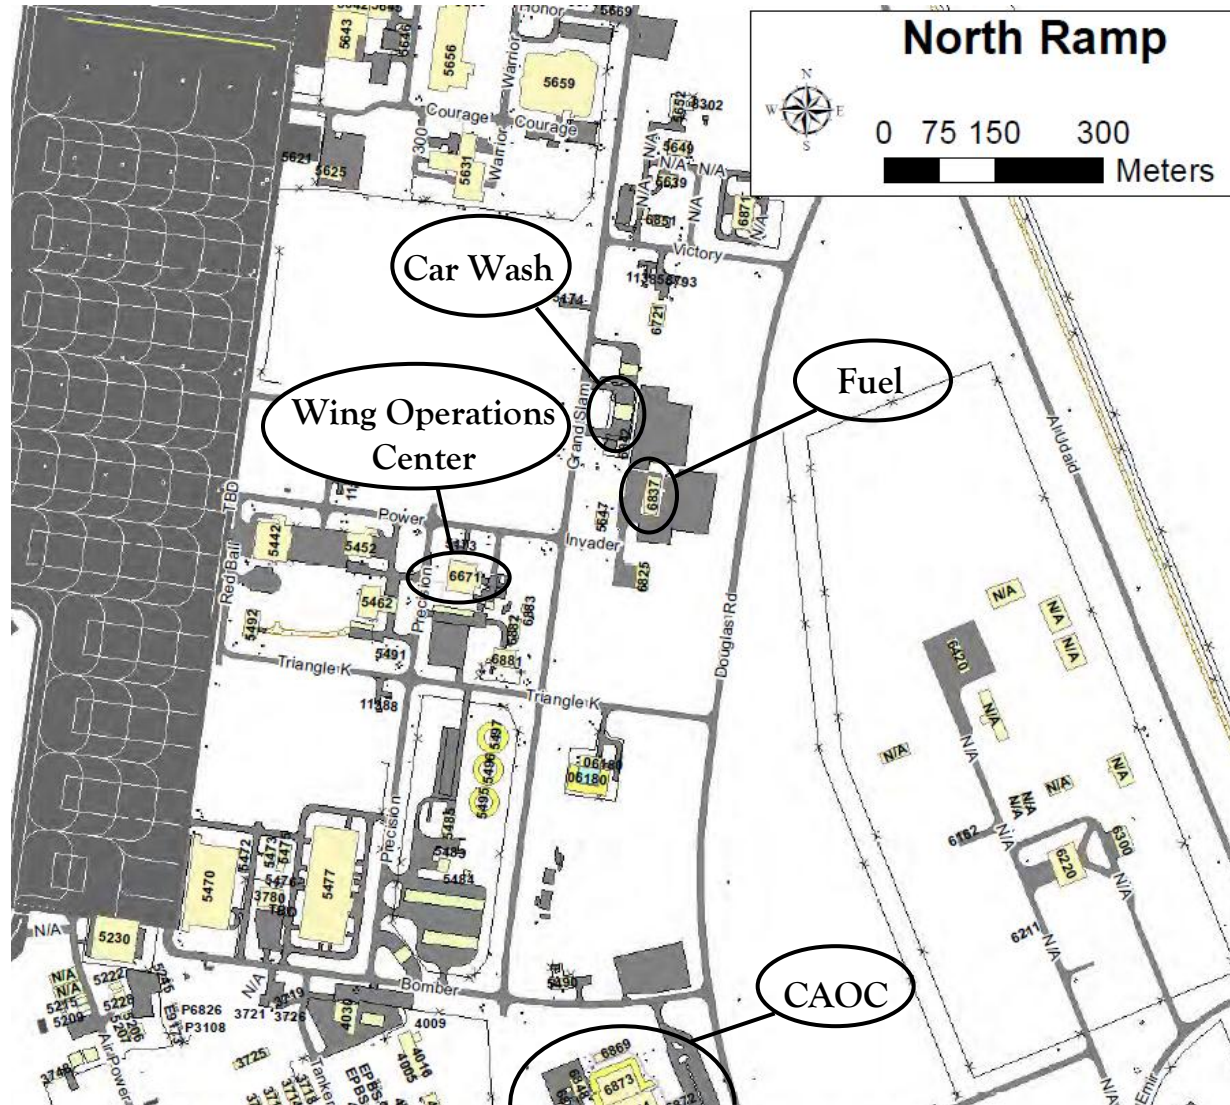

During Shelter-in-Place announcement guests are to stay in their rooms. Use blanket to cover windows and a wet towel should be placed under door. Guests who reside in RLBs must report to CC Fitness Center or Independence Dining Facility for safety and recall purposes. An EFSS member will be there for accountability purposes and to provide further instructions.

Smoking

Tobacco use, including smokeless tobacco and e-cigarettes, is only allowed in approved tobacco-use areas. Smokers will put cigarette butts in butt cans or other approved containers. Smoking gazebos are located throughout CC and BPC areas.

Gas Station/Car Wash

If you are utilizing a U-Drive it (UDI) Vehicle or unit assigned lease vehicle and need to refuel, the station is located east of the North Ramp. Insert your fuel key, input the vehicle's mileage, select the pump, set the pump latch, and fill up. Note: Make sure you are certain of which type of gas your vehicle uses i.e. Mo Gas or Diesel. The free self-help car wash is located next to the gas station.

Lodging Policies and Procedures

1. Turn off all lights and electronic equipment when leaving the room.
2. Light bulbs or light fixtures will not be painted or obstructed.
3. Removal or dismantling smoke detectors or other safety equipment is prohibited.
4. For Coalition Compound (CC) trailers, air conditioners will be turned off during work hours.
5. All living quarters are considered a 24-hour quiet area; excessive noise will not be tolerated.
6. The burning of incense, candles or any open flames is prohibited.
7. The following items are prohibited in the rooms: illegal drugs/substances, pets, dangerous weapons, ammunition, bombs, bombshells, grenades, fireworks, all other explosives or any other combustibles or flammable liquid or material, blackjack, slingshot, sand club, sandbag, and metal knuckles. With the exception of microwaves and coffee makers, cooking with appliances is strictly prohibited. This includes, but is not limited to, electric or fuel burning appliances (hot plates, stoves, etc.) that are not government installed or specifically approved by the Lodging Office.
8. Proper electrical plugs and adaptors will be used in outlets. If in doubt about what is required, call the 379th Expeditionary Civil Engineer Squadron (ECES) customer service at 437-2154.
9. Fluorescent bulb replacements are available at CC Lodging Maintenance, Bldg 10084, 437-6315, or at BPC Lodging, Bldg B-10, 437-0025 (Occupants are responsible for picking up and changing their own bulbs).
10. Common areas (halls, entryways and exterior) will remain clean and clear of debris. Bay orderly details are scheduled by the first sergeant or Unit Quarters Representative (UQR) and performed on the occupant's personal time even if it falls on a day off or holiday. If cleaning supplies are needed, occupants will make the request to their first sergeants or dorm managers.
11. Smoking is not permitted inside or within the immediate perimeter or any building in CC.
12. Lock door when room is unattended; safeguard all keys.
13. Do not put nails, screws, or adhesive (only 3M hooks authorized) on walls or doors. Any damages caused by the use of these hooks will be the responsibility of the resident to repair.
14. Do not paint any walls (to included painting of squadron patches/logos).
15. Do not put stickers or tape on walls or doors; do not write on windows.
16. Do not disassemble or remove furnishings from rooms. Any furniture that is dismantled or missing from the room will be the responsibility of the resident to re-assemble or replace.
17. Telephones are local base access only.
18. Do not prop entrance/exit doors open; this is a fire and safety hazard.
19. Park only in parking lots or other designated areas (this includes when moving in).
20. Drive only on roads; do not drive on the sidewalks or gravel areas around buildings.
21. Do not attempt to cross the c-wire into active construction areas.
22. Work orders will be called in by the resident to either Lodging Maintenance or CE Customer Service. Please see Tab 6 for further details.

Local Policies

Wear of civilian clothing is authorized in Blatchford Preston Complex (BPC) and Coalition Compound (CC) while engaged in off-duty activities. Additionally, the wear of civilian clothing meeting the off base travel standards specified in 4.2 of AEWI 36-2903 is authorized in Operations and Logistics Town for personnel that reside in the CAOC Kennels; all other personnel are required to be in uniform or Service fitness uniforms when in Operations and Logistics Town.

Clothing will be neat, clean, respectful of host nation sensitivities, and present a professional image. Examples of inappropriate clothing include: ripped, torn, frayed, or patched clothing; mesh or netted shirts; tube or halter tops; sports bras or clothing revealing the midriff; short shorts or short skirts; undergarments worn as outer garments or exposing what appears to be undergarments; bathing suits (except at the pool); revealing garments or excessively tight fitting garments; or any garments that contain offensive words or graphics.

Off-base Attire: All personnel will wear civilian attire when traveling off base for unofficial/morale purposes unless otherwise approved by the 379 AEW Commander. Wear of civilian clothes for official travel will be IAW USAFCENTI 36-2903.

Wear of civilian clothes for morale travel will meet the following minimum requirements.

Clothing will be neat, clean, respectful of host nation sensitivities, and present a professional image. Examples of inappropriate clothing are listed above.

Shirts/T-shirts will be conservative, not revealing and must possess a sleeve that covers the underarms. Pants will be loose fitting dress pants, khakis, or jeans.

Hats will be of a conservative and professional nature.

Conservative dresses, skirts and shorts may be worn but the length should be modest, loose fitting, appropriate for regional sensitivities and be no shorter than mid-thigh. Shorts will be loose fitting dress shorts, khakis or denim. Sport or athletic shorts are not authorized.

Clothing will not contain American or military symbolism or insignia. Clothing will also not contain any offensive material – symbols, words or images.

Clothes will not have holes or tears, be properly hemmed and clean. Shoes, to include sandals, should be conservative and professional. Sandals that are worn in a shower are not authorized.

Once at an event location (i.e. beach/pool, boating/water sports, etc) military members may follow the specific civilian clothing guidance for that event, then return to compliance for return travel.

Commanders at all levels may require stricter requirements of specific personnel who fail to dress appropriately.

Areas under the Memorial Plaza and Base Exchange overhangs are “Hats Optional” and “No Salute” areas.

Reflective Belts: All personnel, both military and civilians, assigned to or transiting through Al Udeid Air Base will wear a reflective belt IAW USAFCENTI 36-2903. Individuals will not hang, clip, attach or affix any items to the reflective belt while being worn.

Reflective belts are not required in BPC or CC unless engaged in activity on or along roadways (riding bicycles, walking or running) between dusk and dawn. Reflective belts are not required to cross roadways in BPC or CC as long as the individual crosses the road at a marked crosswalk. Reflective belts are required between dusk and dawn in all areas outside of the BPC and CC.

From dusk to dawn and during periods of reduced visibility, personnel in areas requiring a reflective belt who are wearing a rucksack, backpack, or hydration system that prevents 360-degree visibility of the reflective belt must place a second reflective belt around the item while traveling on or near a roadway.

While in uniform, reflective belts must be single or dual solid colors. Logos, images, stickers, or designs other than service logos, imprinted unit, activity or personal identification information, or approved AF program marketing information (i.e. SARC, AFRC, etc.) are not authorized.

Emergency Services

Emergency Reporting

- Report ALL emergencies at Al Udeid AB to the Emergency Communications Center (ECC) by dialing **911** from any Landline (DSN)
- Load and use this number in cell phone to notify the ECC or 911 system: **4458-9511**
- Call for all emergencies; including ground munitions incidents, found munitions, or suspicious packages

Note: Contacting other emergency responders outside of **911** (or cellphone equivalent) will most likely hinder response times and transfer of critical information

- Give the ECC dispatcher the following emergency information (minimum)
 - Name
 - Location
 - What is the emergency
 - Is evacuation in progress and/or complete
 - Is anyone hurt
 - Phone number incase disconnected
 - Anything else that may think is important

Smoke Detectors

- Limiting non-emergency cause for smoke detector activation by:
 - Cleaning (shut off air conditioning unit to minimize dust being blown into detectors)
 - Aerosols (do not spray near smoke detectors)
 - E-Cigarettes (smoking is only allowed in designated tobacco areas not in rooms)

Electrical Safety

- Ensure transformers, refrigerators, TVs are plugged directly to wall outlets (do not plug into surge protectors/power strips)
- 110 vs. 220 (know your appliances)
- If appliances are not dual voltage you must plug 110 appliances into a transformer
- Do not piggyback your power strips/surge protectors

BBQ Permits

- Contact the Fire Prevention at DSN 437-0061 at least 72 hours prior to requested date of BBQ in order for us to conduct a site survey and complete the required paperwork for the permit.

Check Six

Active Shooter Threat Responses

ESCAPE

If you find yourself in danger during a shooting incident within your work center, **ESCAPE** from the scene if you can.

During **ESCAPE**, have a plan and know where the exits are.

Leave your stuff behind, and exit with your hands visible. Security Forces personnel may mistake you for the shooter.

Move tactically:

- STOP
- LOOK
- LISTEN

Do Not run blindly out into the open

Ensure your actions will not endanger the lives of those left behind.

BARRICADE

If you find yourself in risk of danger but are not being *immediately* threatened...

Secure Yourself and your Location

Barricade: LOCK the door! Barricade inward opening doors with heavy furniture.

Secure and cover all windows and SILENCE all electronic devices.

Once secured, stay away from the windows/doors. Retreat to an inner area of the building and take cover. Notify all personnel in the building.

If safe to do so, contact SecForces with description of the shooter, location, and direction of travel

FIGHT

FIGHT

A LAST RESORT because the event initiated in your area or you ran into the perpetrator.

Confront and incapacitate the shooter by any means necessary (fire extinguisher, scissors etc.)

Be prepared to "fight dirty" eye gouging and strikes to the throat/groin are effective techniques that can save your life and the lives of others

Attack in numbers. This will cause confusion and give the best chance to subdue the perpetrator and survive

Check 6 Combatives Class

Security Forces offers a two-part beginners combatives class from 1900-2100 on Wednesday (Day 1) and Friday (Day 2). Participants must attend Wednesday's class prior to starting Friday's class to complete the course. The classes are held in the CC Gymnasium. Sign up with your unit Check 6 Rep. 12 slots available per week.

Lodging Quick Reference Phone Guidance

In case of Emergency on base dial via DSN:

911

In case of Emergency off base dial via cell phone:

4458-9511

To dial from a DSN Line to a standard DSN Number in the AOR:

Dial last 7 digits (no area code needed)

To dial from a DSN Line to a DSN Number outside the AOR:

Dial DSN Area Code + the seven digit number

DSN Area Codes/Country Code:

CONUS US - 312 PACAF - 315 EUROPE - 314 ALASKA - 317 In Theater - 318

To dial from a Standard Phone (prefix 437 - 436 - 471) to another Standard Phone:

Dial all 7 Digits

To dial from a Base phone to a Commercial (Doha), Cellular or mobile phone (For Official Use Only):

Dial 99+0+ country code + area code or city code if applicable + 7 digit commercial number

To dial from a commercial phone or a cell phone to an Al-Udeid DSN phone:

Dial Al-Udeid's commercial access number (458-9555), listen to recorded instruction, then dial all seven digits of the Al-Udeid AB telephone number.

Note Al Saliyah commercial access number may also be used to reach an Al-Udeid extension. The above instruction is now standard.

To dial from a commercial phone or cell phone in the U.S. to an Al-Udeid DSN Phone:

Dial your Base Switch to be connected to the DSN number.

To dial from a commercial phone or cell phone to an Al Saliyah DSN phone:

Dial Al Saliyah's commercial access number dial (460-9869), listen to recorded instructions, and follow accordingly. (If calling to connect to an Al-Udeid DSN phone wait on the line for an operator to connect you to the Al-Udeid DSN extension you wish to reach).

To dial toll free:

Dial 809-463-3376; wait for the tone, then dial the toll free number.

Running Guidance

Personnel are permitted to run on the paved roads in the Coalition Compound (CC)/Blatchford-Preston Complex (BPC), from the CC/BPC to the Qatari Main Gate and on the paved perimeter road to the North Gate. Additionally, running is permitted from the Qatari Main Gate into Ops Town, within Ops Town and on the paved roads leading to Expeditionary Civil Engineering Squadron (ECES) compound. Finally, there is a dirt running trail which runs along the berm and fence on the north side of CC.

Running, walking, and cycling are prohibited past the "No Running/No Jogging Beyond This Point" signs west of the North Gate and the north/south portion of Enduring Freedom Road which extends from the north side of the Coalition Compound through to lodging Building A7.

The use of portable headphones, earphones, cellular phones, iPods or other listening and entertainment devices (other than hearing aids) are only permitted on the running track and on sidewalks throughout CC and BPC.

MEMORANDUM FOR ALL AFCENT PERSONNEL

FROM: AFCENT/PA

SUBJECT: AFCENT Photography Procedures

1. Public Affairs photography and videography capabilities are official government resources funded to document operational missions, important historical events and, most importantly, enable DoD strategic-level communication to national and international publics. These capabilities are extremely limited and must be used in accordance with established instructions to meet mission needs.
2. The AFCENT Public Affairs Directorate or wing Public Affairs Officers are the OPR for all photography within AOR. AFI 35-101, and AFI 35-109 govern Public Affairs (PA) photography procedures. Air Force Visual Information (VI) resources are government property for official mission support only. IAW AFI 35-109, government-funded VI resources will NOT be used to (not all inclusive):
 - a. Provide souvenirs, personal gifts, mementos, or farewell gifts to include digital photos (e.g. Hero photos)
 - b. Support or document farewell parties or social events (e.g. commander going away parties)
 - c. Create products used primarily for entertainment (e.g. greatest hits videos)
 - d. Support MWR- or services programs to include recognition ceremonies unless newsworthy
 - e. Support or document awards programs at or below the Group level
3. The installation PA office's video function provides limited retirements, promotions, or Change of Command ceremonies. Videographers and broadcasters are limited to documenting ceremonies honoring MAJCOM, Numbered Air Force, Wing and their Vice/Deputy Wing Commanders, General Officers and civilian equivalents, important historical figures such as Medal of Honor winners, Order of the Sword recipients, or aerial aces for accessioning or for media dissemination.
4. Photographic prints are not available for personal use. Digital files may be made available to customers for printing at their own expense within the guidelines of the restrictions above.
5. PA Offices offer a sign-out digital camera for self-help use. PA will not provide imagery editing for non-official purposes. The PA office must review all self-help imagery prior to release including posting on the shared drive.
6. Photography in areas that process classified/sensitive information is restricted to designated personnel only as established by the local commander. PA photographers can assist with mission related classified imagery if they have the appropriate clearance level or if the area is sanitized to the appropriate level. It is the requestor's personal responsibility to coordinate sanitization of the area, to the greatest extent possible, prior to photography. Military identification cards, restricted area badges, or host nation personnel MUST NOT be photographed. PA personnel *cannot* sanitize imagery after capture. PA will coordinate review of images with the appropriate Security Program Manager, if the images are for release.
7. Wing Public Affairs offices are the lead OPR for all official imagery for an installation. Any photographic requests should be directed to the wing PA office for support. Wing PA may make rare exceptions to this guidance to meet exigent operation needs.

KRISTI L. BECKMAN, Lt Col, USAF
Director, Public Affairs
